Continuous Certifications for Eligible Beneficiaries	Unchanged
Split Percentage Payment Approach Initial 50% of the 60-day case mix and wage-adjusted episode paid at the onset of the episode and the residual 50% paid at the end.	Split Percentage Payment Approach For first episodes, initial 60% of the 60-day case mix and wage-adjusted episode paid at the onset of the episode and the residual 40% paid at the end. Subsequent episodes for eligible beneficiaries who require continuous home care are paid at the 50/50 percentage split.
Rules Governing Split Percentage Payments <ul style="list-style-type: none"> New Notice of Admission Identifies the 	Rules Governing Split Percentage Payments <ul style="list-style-type: none"> No need for proposed notice of

PROPOSED RULE	FINAL RULE
<p>HHA as primary for the 60-Day Episode.</p> <ul style="list-style-type: none"> Initial Claim submitted for initial percentage payment based on signed plan of care. 	<p>admission due to the new request for anticipated payment (RAP) approach based on physician verbal orders and documentation.</p> <ul style="list-style-type: none"> RAPs are not considered initial claims RAPs can be submitted before the physician signs the plan of care. If a physician signed plan of care is not available at the beginning of the episode, the HHA may submit a RAP for the initial percentage payment based on physician verbal orders. The RAP must be based on a physician's verbal order that is: Recorded in the plan of care Includes a description of the patient's condition and the services to be provided by the home health agency Includes an attestation (relating to the physician's orders and the date received) signed and dated by the registered nurse or qualified therapist (as defined in 42 CFR 484.4) responsible for furnishing or supervising the ordered service in the plan of care, and The plan of care is copied and is immediately submitted to the physician or a referral prescribing detailed orders for the services to be rendered that is signed and dated by the physician. RAPs are not subject to the payment floor HCFA has the authority to reduce or disapprove requests for anticipated payments in situations where protecting Medicare program's integrity warrants this action

PROPOSED RULE	FINAL RULE
<p>Final Claim submitted for residual percentage payment based on signed plan of care.</p>	<p>integrity warrants this action.</p> <ul style="list-style-type: none"> • Since the RAP can be based on verbal orders and is not considered a Medicare claim the RAP may be canceled and recovered unless the claim is submitted within the greater of 60 days from the end of the episode or 60 days from the issuance of the RAP payment. • A RAP is considered a claim for purposes of Federal, civil, criminal, and administrative law enforcement, including but not limited to the Civil Monetary Penalties law, Civil False Claims Act and the Criminal False Claims Act). • The plan of care must be signed and dated by a physician as described who meets the certification and re-certification requirements of section 424.22 before the claim for each episode for services is submitted for the final percentage payment (40% for new patients and 50% for subsequent episodes). Any changes in the plan of care must be signed and dated by a physician. • No Change-Final Claim submitted for residual percentage payment based on signed plan of care.
<p>Law Eliminates Periodic Interim Payments with implementation of PPS</p>	<p>Unchanged</p>
<p>Low Utilization Payment Adjustment (LUPA)</p>	<p>Low Utilization Payment Adjustment (LUPA)</p>

PROPOSED RULE	FINAL RULE
<ul style="list-style-type: none"> • Four or Fewer Visit Threshold • Episodes with four or fewer visits are paid the national average per visit amounts for FY 2001. • Per visit amounts will be further divided into a wage adjusted labor portion and a non-labor portion: <p>Home Health Aide = \$34.44 Medical Social Services = \$123.31 Occupational Therapy Services = \$83.57 Physical Therapy Services = \$83.39 Skilled Nursing Services = \$76.32 Speech Pathology Services = \$90.79</p> <ul style="list-style-type: none"> • LUPA Rate Components Reflected in Proposed Amounts Listed Above: • Average per visit cost for non-routine medical supplies reported on the cost report = \$1.41 • Average cost per visit for non-routine medical supplies that could have been unbundled to Part B prior to PPS = \$0.35 • Average cost per visit for ongoing OASIS reporting = \$.12 • Standardization factor for wage index = .94622 • Budget Neutrality Factor = .78578 • Outlier Adjustment = 1.05 	<ul style="list-style-type: none"> • Retained Four or Fewer Visit Threshold • Episodes with four or fewer visits are paid the recomputed national average per visit amounts FY 2001 (Included additional OASIS and therapy adjustments). • Per visit amounts will be further divided into a wage adjusted labor portion and a non-labor portion: <p>Home Health Aide = \$43.37 Medical Social Services = \$153.55 Occupational Therapy Services = \$105.44 Physical Therapy Services = \$104.74 Skilled Nursing Services = \$95.79 Speech Pathology Services = \$113.81</p> <ul style="list-style-type: none"> • LUPA Rate Components Reflected in Final Amounts Listed Above: • Average per visit cost for non-routine medical supplies reported on the cost report = \$1.71 • Average cost per visit for non-routine medical supplies that could have been unbundled to Part B prior to PPS = \$0.23 • Average cost per visit for ongoing OASIS reporting = \$.12 • Average Cost per visit for one-time OASIS scheduling Implementation Change = \$.21 • Standardization factor for wage index = .96674 <p>Budget Neutrality Factor = Not Applicable Outlier Adjustment = 1.05</p>

PROPOSED RULE	FINAL RULE
<p data-bbox="203 365 807 432">Significant Change In Condition (SCIC) Payment Adjustment</p> <ul data-bbox="203 436 807 1755" style="list-style-type: none"><li data-bbox="203 436 807 982">• If a patient experiences a significant change in condition that was not envisioned in the original plan of care, the HHA may adjust the payment level to reflect the resources needed to treat the significant change in condition. The SCIC adjustment is a proportional payment adjustment reflecting the time both before and after the patient experienced the significant change in condition during the episode. The SCIC adjustment does not restart the 60-day episode clock. The SCIC adjustment occurs within an episode.<li data-bbox="203 987 807 1318">• In order to receive a new case mix assignment for the purposes of a SCIC adjustment during the 60 day episode, the HHA must complete an OASIS assessment and obtain necessary physician change orders reflecting the significant change in treatment approach in the patient's plan of care.<li data-bbox="203 1323 807 1612">• The first part of the SCIC adjustment is calculated by taking the span of days (first billable visit date through the last billable visit date) before the patient experienced the significant change as a proportion of 60 multiplied by the original case mix and wage adjusted 60 day episode.<li data-bbox="203 1617 807 1755">• The second part of the SCIC adjustment is calculated by taking the span of days (first billable visit date through the last billable visit date) after	<p data-bbox="829 365 1435 432">Significant Change In Condition (SCIC) Payment Adjustment</p> <p data-bbox="829 436 997 478">Unchanged</p>

PROPOSED RULE	FINAL RULE
<p>the patient experienced the significant change as a proportion of 60 multiplied by the new case mix and wage adjusted 60 day episode for the balance of the episode.</p> <ul style="list-style-type: none"> • The therapy threshold for case mix purposes applies to the total 60-day episode. In the case of a SCIC adjusted episode, the therapy threshold applies cumulatively to the total episode. 	
<p>Partial Episode Payment Adjustment (PEP Adjustment)</p> <ul style="list-style-type: none"> • In case of beneficiary elected transfer or discharge and return to the same HHA during a 60-day episode, the original episode is closed out with a proportional payment. A new 60 day episode clock for payment, OASIS assessment & plan of care certification begins as a result of the beneficiary elected transfer or discharge and return to the same HHA during a 60 day episode. • Proportional payment is calculated using span of days (first billable visit through last billable visit) as a proportion of 60 multiplied by the original case mix and wage adjusted 60-day episode payment. • PEP Adjustment does not apply under circumstances of HHAs under common ownership as defined in PRM 1004. Those situations are under arrangement. 	<p>Partial Episode Payment Adjustment (PEP Adjustment)</p> <ul style="list-style-type: none"> • In case of beneficiary elected transfer or discharge and return to the same HHA during a 60-day episode, the original episode is closed out with a proportional payment. A new 60 day episode clock for payment, OASIS assessment & plan of care certification begins as a result of the beneficiary elected transfer or discharge and return to the same HHA during a 60 day episode. • Retained billable visit dates: Proportional payment is calculated using span of days (first billable visit through last billable visit) as a proportion of 60 multiplied by the original case mix and wage adjusted 60 day episode payment • PEP adjustment does not apply in circumstances of HHAs under common ownership as defined in 42 CFR 424 for the balance of the 60-day episode, unless the beneficiary moves out of the MSA or non-MSA during the
